He also informed them that the annual Lincoln Days luncheon is coming up and everyone can make donations at the door.

Commissioner reports:

Commissioner McClellan reported that he attended the animal control meeting and had advised that the county did not need to be patrolled unless a specific call comes in requesting assistance. He attended the farewell reception for the Veteran’s Service Officer and has met with the Veteran’s Service Board. The new employee is not currently scheduling appointments on Mondays because of walk-ins and workload, but is keeping the same hours as the previous officer. Transition seems to be going well.

Commissioner Koyle also attended the Veteran Service Office farewell reception for Georgianna Greenwell and attended the Chamber Banquet. It was very well attended.

Commissioner Moore attended Gem Plan meeting last week. The main focus was discussion and a presentation on combining ICRMP and Gem Plan. There are 22 counties with Gem Plan. He would like Commissioner McClellan to consider running for his place on the Gem Plan board. He also attended the Southern Idaho Regional Solid Waste District meeting and brought back a copy of their audit for the county to keep on file. He encouraged the other commissioners to check out their website as it had some very interesting information. He attended fair board meetings with the main discussion centered on the event center project.

This meeting was adjourned with a tap of the gavel at 10:25 a.m.

Robert Moore, Chairman

ATTEST:

Laurie McCall, Deputy Clerk
