Treatment Plan

Use this form along with a Uniform Medical Application for non-emergent medical services.

Idaho Code 31-3504 (3):

Follow-up necessary medical services based on a treatment plan, for the same condition, pre-approved by the board, may be provided for a maximum of six (6) months from the date of the original application without requiring an additional application; however, a request for additional treatment not specified in the approved treatment plan shall be filed with the clerk ten (10) days prior to receiving services. Beyond the six (6) months, requests for additional treatment related to an original diagnosis in accordance with a pre-approved treatment plan shall be filed ten (10) days prior to receiving services and an updated application may be requested by the board.

Idaho Code 31-3505 (3):

Requests for additional treatment related to an original diagnosis in accordance with a pre-approved treatment plan shall be filed ten (10) days prior to receiving services.

Idaho Code 31-3505 (5):

Any application or request which fails to meet the provisions of this section, and/or other provisions of this chapter, shall be denied.

Idaho Code 31-3505A (5):

In the case of follow-up treatment, the clerk shall have ten (10) days to complete and interview on a request for additional treatment to update the financial and other information contained in a previous application for an original diagnosis in accordance with a treatment plan previously approved by the board.

Is this procedure medically necessary? Why? What will be the consequence of not having this procedure?
